There was a landowner who planted a vineyard,
put a hedge around it,
dug a wine press in it, and built a tower.
Then he leased it to tenants
and went on a journey.

SCHOOL NEWS

Wonderful Kindergarten

My name is Michelle Grzeda and I am the kindergarten teacher at St. Francis Borgia School. This is my sixth year teaching at SFB. The first five were spent teaching the three year old preschool program. I have been blessed this year to teach twenty two wonderful students, who are making this year absolutely amazing! My husband and I have been married for six years. We have a two year old son who is full of energy, a spunky puppy, and a second child on the way. In my free time I enjoy spending time with my family, traveling, and reading.

The kindergartners at SFB have been busy learning and exploring their classroom. Each morning our day starts with Prayer, the Pledge of Allegiance, as well as a daily Religion lesson. We also attend all school Mass on Fridays. During the month of September we listened to the creation story and went on a nature walk to see all the beautiful things that God created.

Our classroom is equipped with an interactive Promethium board. This allows us to work on our Math, Reading, Science, as well as Social Studies skills. We also work in small group centers for Math and Language Arts. The kindergarten class also attends special classes which include Spanish, Computers, Gym, Art, Music, and Library. We may be busy learning, but we make time to have fun during our "Fun Friday" activities.

In the month of September, the kindergarten class learned all about apples. We made apple sauce, which was a huge hit! We graphed our favorite apple color, created apple prints, and learned about Johnny Appleseed!

Rosary In October

The month of the Holy Rosary is October and this entire month is dedicated to the Rosary. In our parish, we will have the following devotions during the month of October.

Rosary Devotion in English will be Monday thru Friday after the 7: 15 am, and 8:30 am Masses, Saturday after the 8:00 am Mass, and Sunday after the 7:30 am Mass.

RESPECT LIFE

From Saint Teresa of Calcutta

"But I feel a great destroyer of peace today is abortion, because it is a direct war, a direct killing, direct murder by the mother herself. And we read in the scripture, for God says very clearly. "Even if a mother could forget her child, I will not forget you. I have carved you in the palm of My Hand." We are carved in the palm of His Hand; so close to Him, that unborn child has been carved in the Hand of God. And that is what strikes me most, the beginning of that sentence, that even a mother could forget something impossible—but even if she could forget -- "I will not forget you." And today the greatest destroyer of peace is abortion. And we who are standing here—our parents wanted us. We would not be here if our parents would do that to us."
