RESPECT LIFE

Pope Francis on Defense of the Unborn

"Nowadays efforts are made to deny them [unborn children] their human dignity and to do with them whatever one pleases, taking their lives and passing laws preventing anyone from standing in the way of this. Frequently, as a way of ridiculing the Church's effort to defend their lives, attempts are made to present her position as ideological, obscurantist and conservative. Yet this defense of unborn life is closely linked to the defense of each and every other human right. It involves the conviction that a human being is always sacred and inviolable, in any situation and at every stage of development" -- Pope Francis

Catechetical Sunday

Catechetical Sunday is September 17, 2017. For the pastoral activity of the Church, the cooperation of a great many people is needed so that communities as well as individuals may advance to full maturity in faith and continually show forth their faith through the celebration of the liturgy, study, and through their manner of life. Enlightened by God's Word and the teaching of the Church, Catechists impart to others the formation to live their lives as followers of Jesus Christ.

The St. Francis Borgia School Teachers and the Religious Education Catechists will receive a special blessing Sunday at the 10:30 Mass to aid them in their ministry of teaching and inspiring our parish children about the Catholic faith.

We bless the name of the Lord for giving us those who teach the Catholic faith and pray that through the Holy Spirit they will receive the grace they need in their service to the Church and to our parish.

Director of Religious Education
